Jason from MARC spoke regarding Act 181. This is a regional planning act to address housing needs. It is designed to address housing, housing targets and update future land use. Jason would like to meet with our Planning Commission and Zoning Administrator to review our current regulations. Bud asked about the Ethics Bill but there is not provision for enforcement.

Grants Status: Better Roads application (Harris Road) has been submitted. The executable grant will be available May.

Wayne mentioned that the Engineering (culvert) grant is almost done. He will set up a time for a meeting with Meghan.

Delinquent Tax Collector- No report.

Highway- Many good comments have been received regarding our roads. They are well sanded and the snow banks have been pushed far back. The material being used for sanding is working well.

Solid Waste- Wayne said that meetings have now been moved to 1:30 PM which makes it difficult for either Wayne or Becky to attend. He will check with Steve Waldo to see if he could attend.

Old Business- None

New Business- The Fire & Ambulance agreement from Springfield was received. The Fire & Ambulance portion is \$7,000.00 and Advanced Life Support is \$7,000.00 bringing the total to \$14,000.00. A motion was made and seconded to accept the agreement. Carried. It was signed and Bay will bring the signed document to the Springfield Town Manager. It is hoped they can provide an incident report for our Town Report. It was suggested to put this out for bids in the future.
