

Burn Permits

"Permit to Kindle Fire"

Town of Baltimore

The Town of Baltimore requires burn permits for open burning of natural vegetation, yard debris, or other natural products. We follow the State of Vermont Agency of Natural Resources:

Open Burning Permits or a "Permit to Kindle Fire" regulates open burning in every town in Vermont. Town Forest Fire Wardens are responsible for issuing open burning permits if fuel and weather conditions are safe for outdoor burning. Fire Wardens have the authority to ban open burning in their towns during times of high fire danger or hazardous local conditions. To request a permit for outside burning in Town of Baltimore please call:
